Submitted By John Thomstatter

The Chapter 1036 monthly meeting on Tuesday, September 6th at the Lake Miona Rec Center proved to be an interesting and informative event.

The guest speaker was **Carla Beudoin**. Carla told her story about how she became involved with Bugles across America group.

She played a few songs on her bugle for us at the meeting and intermixed them with our pre and post meeting ceremonies. She volunteers to play taps at funerals.
